Objective

MBA graduate seeking an entry-level executive or management trainee role in banking, HR, or marketing, where I can apply leadership skills, customer relationship management, people handling, and business strategy knowledge to contribute to organizational growth where I can effectively utilize my academic foundation in BSc Microbiology along with managerial, administrative, and human resource skills acquired through an MBA in General Management. I am eager to learn industry practices, contribute to efficient operations, support people management and compliance processes, and grow into a responsible professional while adding value to the organization through dedication, adaptability, and continuous learning.

Experience

- Everwin Vidhyashram Sr Secondary School** 03/10/2023 - 31/03/2024
Teacher
I worked as a teaching faculty at Everwin Vidhyashram, where I was responsible for delivering academic instruction, managing classroom activities, and supporting student development across various age groups. I planned and conducted engaging lessons, maintained student records, and collaborated with fellow educators to enhance the overall learning environment. This role helped me strengthen my communication skills, leadership abilities, and classroom management techniques. I taught science and Developed strong communication, presentation, and leadership skills.
- Miramed Ajuba/ Coronis Health care** 02/06/2023 - 31/07/2023
Account Receivable
I had the opportunity to undergo the training program at MiraMed Ajuba where I learned the basics of medical billing. However, I did not continue into the production phase as I was part of only the training batch. The experience gave me a good understanding of the domain and helped me improve my professional skills."
