

P.GURU MAHESH

Sr Software Developer

With around 4 years of experience collaborating on multiple web-based projects, I am a highly motivated developer who brings a wealth of knowledge to the table. As a certified application developer, I specialize in a variety of technologies including Angular12, Typescript, Javascript, HTML, CSS, Bootstrap and rxjs. I pride myself on my ability to work independently and as part of a team, always striving to deliver the best possible results for every project.
