

Rajkumar R
Software Engineer (.NET Developer)
Mobile No: 6374230331
Email ID: rajkumar.r19091999@gmail.com

Career Objective:

Dynamic and results-oriented Full Stack Developer with expertise in designing, developing, and deploying robust web-based solutions using .NET technologies. Passionate about leveraging technology to create scalable and efficient software while fostering collaborative teamwork to achieve project success.

Experience Summary:

- Skilled in coding, testing, and database management using ASP.NET Framework, .NET Core MVC, C#, SQL Server, JavaScript, HTML, and CSS.
- Proficient in database operations, including stored procedures, functions, triggers, and views.
- Expertise in developing and managing web services, reports, and real-time applications.
- Hands-on experience with SQL Server 2014, 2017, 2019, and Microsoft Visual Studio (2008-2022).
- Strong problem-solving abilities, technical acumen, and a track record of meeting tight deadlines

Technical Expertise:

Software Skills	C#, VB.NET,ASP.NET Framework,ASP.NET MVC ,ASP.NET Core, SQL Server, HTML, CSS, JavaScript, SSRS Reporting Tool, Zebra Designer Tool, Web API.
.NET framework Versions	.NET 3.0 -.NET 4.8.1
.NET Core Versions	.NET 5.1.301,.NET 8.0

Company Info:

- **Software Engineer - BASE AUTOMATION TECHNOLOGIES PVT LTD (DEC 2021 - Present).**

Project 1:

Project Name	BTS Web Based Barcode Scanner Application (Tyre Manufacturing Process)
Project Description	1. To enable real-time tracking of barcodes across the tyre manufacturing process. 2. Team Size: 8 members 3. Duration : 3 years (including CI/CD and service support)
Technology	.Net Core MVC 5.1.301,MS SQL,HTML,CSS,JS,SSRS
Client(s)	CEAT Tyres Pvt Ltd, Halol, Gujarat.

Project 2:

Project Name	Warehouse Management System(WMS)
Project Description	1. Designed and implemented intuitive user interfaces for efficient warehouse operations. Enhanced UI for better user experience, reducing training time by 20%. 2. Team Members - 4 3. Duration - 3 Months
Technology	.Net Core MVC 5.1.301, .NET Core MVC 8.0 ,MSSQL,SSRS,HTML,CSS,JS
Client(s)	CEAT Tyres Pvt Ltd, Halol, Gujarat.

Project 3:

Project Name	DIGITALIZATION FOR TYRE MANUFACTURING (MIS-Manufacturing Information System)
Project Description with Roles and Responsibilities	1. The main objective is to convert the hard paper entries into entering the data in web-based applications or over retrieving the data directly from PLC through SQL. 2. Reducing the risk and time consuming of compound consuming in each machine with respect to all process area. 3. Developed and deployed the code against each process more than 50 points successfully. Example (compound blocking from Mixer to Building process) 4. For scrap and rework process, developed the web API for data posting to SAP and scanner application to track the data for Extruder machines and show in reports (MIS web application). 5. Modify the code and deployed independently according to client requirement in real time 6. Handled the production related issues and solved immediately to avoid the production loss. 7. Team Members - 6 Members 8. Project Duration: 3 Years (CI/CD Process and Support)
Technology	.Net Core MVC 5.1.3 2019, SQL Server 2014, .Net Framework, Web API,HTML,CSS,JS,SSRS.
Client(s)	CEAT Tyres Pvt Ltd, Halol, Gujarat.

Key Roles and Responsibilities:

- Understanding the requirements of the modules from clients and implementing the logic
- Created UI page with crud operations using HTML, CSS, JavaScript, jQuery and C#. Strong in OOPS concepts to build the project with neat code.
- Built databases, table structures for web and windows applications
- Reviewed code, debugged problems and corrected issues related to the production
- Developed Win Forms using C# and .Net and Vb.Net.
- Maintain and upgrade existing applications and fix issues
- Maintain the web application life cycle and frontend, backend frameworks.
- Delivered the application before the end of timeline with proper completion of testing.

Educational Qualification:

S.No	Degree	Branch	Year of Passing	Name of the College / Institute	Name of the University	Percentage / CGPA
1	B.E	CSE	2021	DR.NNCE, Tholudur.	Anna University	7.1
2	12 th	HIGHER SECONDARY	2017	A.K.T Matric Hr. Sec School	Matriculation	70
3	10 th	SSLC	2015	A.K.T Matric Hr. Sec School	Matriculation	83

Declaration:

I hereby declare that the information provided above is true to the best of my knowledge.

Place: Chennai.
