## Data Scientist

aarav.sheikh159@exampleemail.com | +91 9070541018 | Bhopal, Madhya Pradesh | <https://linkedin.com/in/aarav-sheikh-145>

### SUMMARY

Data Scientist with 6 years of experience in Python, Machine Learning, Statistics. Comfortable working across the stack and collaborating with cross-functional teams to ship reliable, well-tested software.

### SKILLS

Python • Machine Learning • Statistics • Scikit-learn • Pandas

### EXPERIENCE

|                                                                                                                                                                                                                                                                                                                           |       |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------|
| <b>Data Scientist, Vertex Digital Labs</b> <ul style="list-style-type: none"><li>Automated a core internal service, cutting manual effort significantly</li><li>Implemented a batch processing job, reducing latency by 30%</li></ul>                                                                                     | 2 yrs |
| <b>Data Scientist, Novagen Digital</b> <ul style="list-style-type: none"><li>Migrated the CI/CD pipeline, improving reliability</li><li>Scaled an integration with a third-party API, cutting manual effort significantly</li><li>Automated an integration with a third-party API, reducing infrastructure cost</li></ul> | 2 yrs |
| <b>Data Scientist, Ironleaf Systems</b> <ul style="list-style-type: none"><li>Led a data pipeline, supporting 10x growth in usage</li><li>Maintained a data pipeline, reducing infrastructure cost</li></ul>                                                                                                              | 2 yrs |

### EDUCATION

B.Tech in Electronics and Communication
