

# Krishna Singh

## Senior Data Scientist

krishna.singh932@exampleemail.com | +91 8341837745 | Nagpur, Maharashtra | <https://linkedin.com/in/krishna-singh-157>

### SUMMARY

Senior Data Scientist with 9 years of experience in Python, Machine Learning, Statistics. Comfortable working across the stack and collaborating with cross-functional teams to ship reliable, well-tested software.

### SKILLS

Python • Machine Learning • Statistics • SQL • Scikit-learn

### EXPERIENCE

|                                                                                                                                                                                                                                                                                                            |       |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------|
| <b>Senior Data Scientist, Silverline Analytics</b> <ul style="list-style-type: none"><li>Implemented a REST API layer, improving reliability</li><li>Implemented an integration with a third-party API, reducing infrastructure cost</li></ul>                                                             | 3 yrs |
| <b>Data Scientist, Solstice Software</b> <ul style="list-style-type: none"><li>Designed an internal dashboard, reducing latency by 30%</li><li>Optimized a reporting module, cutting manual effort significantly</li><li>Scaled a core internal service, reducing bug count in production</li></ul>        | 3 yrs |
| <b>Data Scientist, Bluecrest Innovations</b> <ul style="list-style-type: none"><li>Led the CI/CD pipeline, cutting manual effort significantly</li><li>Delivered an internal dashboard, reducing bug count in production</li><li>Delivered a core internal service, reducing infrastructure cost</li></ul> | 3 yrs |

### EDUCATION

M.Tech in Computer Science
